

# Reading and Grammar REVISION 1

## You must do a MINIMUM of 3 exercises

### 1. Zoo Story \*

A man decided to break into a zoo one night. He broke into the kiosk looking for money. He went to the cashier register, opened it and stole about \$500. However, as he was leaving, the alarm went off and the police arrived. They started to chase the man around the zoo. He ran to the gate to escape, but they were locked. He ran to the high walls at the side of the zoo and decided to jump over them and escape. Unfortunately, the high wall was not the wall around the zoo, but the wall around the tigers. He then ran to the tiger enclosure, but he left the money.

### 2. Wedding Cake – insérer les verbes en les conjuguant correctement. \*\*

A woman wanted to make her daughter a wedding cake. She had to make a big cake for the 100 guests coming to the wedding. It took the woman all afternoon to make the cake. When she was cooking, she found that her wedding ring was missing. She looked all over the house but she couldn't find it.

Six weeks later at the wedding, the woman's daughter ate the cake and then everyone ate a piece. The daughter ate her piece of cake. There was something hard in it. It was her mother's wedding ring!

Finish      be      decide      have   bite   take   look   be   cut   want   give   see   can

### 3. Speed Camera – insérer les verbes en les conjuguant correctement. \*\*\*

A motorcyclist in Wales tried to film himself as he was driving really fast along country roads. He had a video camera to the petrol tank of his motorbike and was driving. He was at the incredible speed of 264 km an hour. When he got into a town, he went right down. However, at the beginning of the town there was a checkpoint. The police stopped him. Whilst they were talking to him, they took his video camera and if they could have a look at it. They took the film of his speedometer and they fined him. The man got a one-year jail sentence for driving dangerously.

book   attach   notice   start   reach   drive   decide   slow   be   receive   stop   ask   see
